COMPANY PROFILE

OMI-Builders is a joint venture of Onward Movement Industries, Inc. (OMI9), a Service-Disabled Veteran-Owned Small Business, and Premier Design Builders, Inc., an 8(a) and DBE design-build firm based in Kernersville, NC. The JV pairs prime-contract performance for the U.S. Air Force, U.S. Army and NCDOT with CMMC Level 2 compliance expertise and FAA Part 107 aerial survey capability. OMI9 is a veteran-led consulting and technical firm serving government and private-sector clients across construction, logistics, cyber & IT, Drone Services and Workforce Development.

WHY OMI-BUILDERS

SECURE LEADERSHIP

A service-disabled veteran with 26+ years of service and the Legion of Merit, paired with a CEO with 30+ years in construction.

ONE CONTRACT, FULL SPECTRUM

A veteran-led JV pairing proven NC construction capacity with secure IT and UAS site surveys under one prime.

AUDIT-READY BY DESIGN

Built a CMMC program from zero to a successful Level 2 assessment. Security engineered in, not bolted on.
